Legal Notes

1. Use conditions

Before using the system the Customer must carefully read this legal notes.
By accessing this website (www.cornerlink.com) and all its pages, the Customer declares that he has read, understood and accepted these warnings and the legal conditions related thereto.
No information or services are available to persons who reside in a state or region where this constitutes a violation of the current local laws and regulations.

2. Geographical restrictions

This website and its contents are not intended for natural or legal persons who, by virtue of their nationality, place of business, residence, or for other reasons, are subject to a jurisdiction that restricts or prohibits access to or the use of the website and its contents based on local laws.
The contents of this website do not constitute an offer or an invitation to Customers with a place of business or residence in a country where the cross-border provision of financial services and/or offering of financial products and/or banking products (cross border financial activity) are subject to restrictions or prohibited.
The general conditions of use of Cornèr Bank CornèrLink services may also lay down additional restrictions regarding access to or use of Cornèr Bank CornèrLink services and products by Customers subject to a foreign jurisdiction.

3. No offer

No information, opinion or other contents of the website constitutes an invitation, offer or recommendation to buy or sell financial papers or instruments, or to consult or provide financial services or transactions of any type, nor may they be interpreted as such.

4. Information on investment risks

Stock exchanges and the securities listed on them are often subject to significant fluctuations in value. Past positive performance does not guarantee positive results of the investments in the future.
It is not excluded that, when liquidated, an investment will have a lower value than the initial one.
It is not always possible to liquidate an investment immediately, or to obtain precise information on its value and degree of risk, or to obtain profits from it.
Investments in foreign currencies may be subject to fluctuations due to changes in the reference exchange rates.

5. Exclusions of responsibility

5.1 Security in the use of the public network

Although the Bank has made every reasonable effort to guarantee the confidentiality of the system and has adopted the generally accepted necessary measures and technical standards, it does not assume any responsibility and shall not be liable for any damage suffered by the Customer due to disturbances,
interruptions or interceptions in the use of the CornèrLink system and in general of any damage which may accrue to the Customer or to third parties from the publication on the Internet of the data relative to the banking relationship.
The Customer notes in particular that:

- there is a potential risk that unauthorized persons may take down or intercept the Customer's access codes, or data relative to bank relationships and use them abusively;
- the information is transmitted over the public network and although divided into coded bits, it is possible for it to be transmitted through lines and points abroad, regardless of the residence of the sender and addressee;
- the administrators of the public networks may identify the Customer and the counterparts with whom he is in contact on the Internet;
- in no case can the CornèrLink system or the public network guarantee the preservation of bank secrecy.
5.2 No assurance

Although the Bank has made every reasonable effort and used adequate measures to assure the reliability, accuracy and integrity of the information made available on the CornèrLink system, the data and documents provided are of purely informative nature.

They do not imply any obligation or responsibility for the Bank and cannot be used to assert any claim by the Customer or third parties against the Bank.

In the event of discrepancies between data or documents made available through the CornèrLink system and the data or documents held in the Bank's books, the latter shall prevail.

5.3 Blockage, suspension, amendment or elimination of the Services and Functions

The Bank shall not be responsible and will not be answerable for any direct, indirect or consequential damages which may accrue to the Customer from the blockage, suspension, amendment or elimination of one or more services and functions or the entire CornèrLink system.

6. Marketing purposes

The Customer accepts that the Bank may use the data obtained from this system for its own marketing purposes.

7. Copyright

The entire content of the site is subject to Copyright. All rights belong to Cornèr Bank.

The reproduction of the site or parts thereof is prohibited in any form, be it on paper or electronic, except as expressly allowed by the services and functions present on the website.

8. Ownership of the site and trademarks

Cornèr Bank reserves all rights arising from the ownership of the website and the trademarks concerning everything published on the website.
